

" In the name of god who be or not to be , all of him "

A brief of « Mohammad Reza Yahyaei » biography

He was born in a Muslim and Shitte (shia) family at 5 morning in 1347/10/11 (A.H.S) , coincides with 1/1/1969 th in Tehran . His education Was completed in the field of Electronic in 1985 . he went to the sacred military service in 1986 . he began his activities in Martial Arts in 1977 and others fields as Religion , Mysticism , MetaPhysics , Traditional Medicine , Psychological Sciences in 1987. he invented a medical system ” accpuncture without needle ” with a new thesis (pain = accumulate electrical charges in a body point) in 1991 .

Attention to his experience and knowledge , especially in one of his intuition, has received command that should establish assembly for progress of thoughtfull and intellectual mind in 1992 . After that transferred him lot of knowledge , then he gathered all of sciences which a muslim and religious person should know to be closer to God and introduced his new thesis . there are several inventions , discoveries , Thesises , educational books in different fields has registered by him .

He recorded several certificate as Martial Arts , Traditional Medicine , Mental Science ,MetaPhysics , Technology and etc . he established ” International Society of Iranian Elects ” in four stages as follows :

Currently , many student in specialized fields : Electronic , Mechanic , Chemistry , Medicine ,Surgery , Anestehesia , Religion, Hadith , Technology , Sport , Martial , Medical , Psychology , Parapshychology , and ... are serving to people in the way of God omnipotent .

It should be mentioned that ”International Society of Iranian Elects” is privet and certification issued,only the side personally identifiable . This “ Insitute ” is not in any way possible , under cover of any private and public agencies . unfortunately ever the “ Insitute ” has not registered because of extent of work in iran . I hope one day , this divinity work be known and completely legal and offical registrated , essay of God .

Meanwhile , the training Materials and Institute Statute , will change for student and professors level institute every 5 years . There isn't exist no technical , scientific limitation in institute .

Also to be away from the chaos and false claims and baseless jobber people every year once should certificates be renewed or replaced otherwise , is no sufficient .
